CUTTING INSTRUCTIONS

Cut fabrics in order given.

A. Pattern #16513 – EGG1 (large hydrangeas):

1. Cut six 4¼" x 42" strips (outer borders).

B. Pattern #16517 – DKBLU1 (plaid):

1. Cut five 2" x 42" strips (inner borders).

C. Pattern #16515 – DKBLU1 (tossed berries):

1. Cut six 2½" x 42" strips (binding).

D. Remainder of fabric:

1. Divide your fabrics into three groups: lights, mediums, and darks. This includes what is left from your borders and binding. You can cut part of the quilt at a time and then add whatever you need.
2. From each of the lights, cut two 2½" x 42" strips and then cut those strips into 2½" squares. Also cut a 3¼" x 42" strip and then cut the strip into 3¼" squares. Cut the 3¼" squares in half diagonally.
3. From the medium tones, cut exactly as you have cut for the lights.
4. From the dark tones, cut just two 2½" x 42" strips and then cut into 2½" squares. You will not need half-square triangles.

PIECING INSTRUCTIONS

1. This quilt is made up of shaded 9-Patch blocks. To make the blocks, sew a light half-square triangle to a medium half-square triangle to form squares. Do this with all of the triangles you have cut. Trim to 2½" square.
2. Lay out each block as diagrammed below. Every block is pieced in the same way. You will need 64 pieced blocks.

9-Patch Block.
Finished Size: 6" square.
Make sixty-four.

QUILT ASSEMBLY

1. Once you have completed your blocks, lay them out to form the design in the Quilt Diagram. Sew eight rows of eight blocks each. Then, sew the rows together.
2. Sew the narrow plaid borders to the top and bottom of the quilt top and then to the sides. Do the same with the wide floral borders.
