*Read through all of the piecing instructions before you begin.*

**Block A**

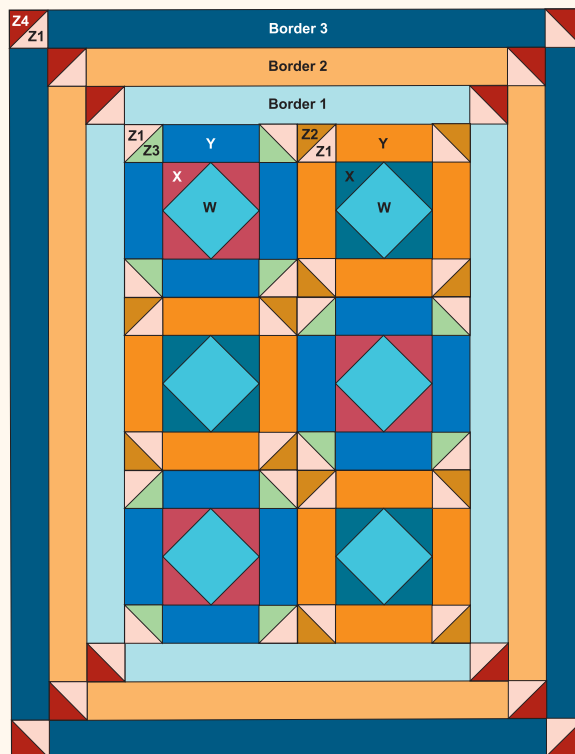

**Block B**

- A. Each block is made up of a square on point (W), four large triangles (X), four half-square triangle units (Z1 and Z2 or Z3) and connecting bars (Y). After sewing the four X triangles to W, square up the unit to measure 7 1/2" x 7 1/2".
- B. Follow the block diagrams to construct three "A" blocks and three "B" blocks. Finished block size is 12" x 12".
- C. Sew blocks together as shown in quilt diagram.
- D. Construct twelve half-square triangle units (Z1/Z4) for Borders 1, 2 and 3.
- E. Cut the border strips the correct length, sew the half-square triangle units to top and bottom borders, and sew to the quilt top in the order shown in the diagram. (Note: For the Border 3 side borders only, sew three border strips together, end to end. Then, cut the two lengths needed from this long strip for the sides.)
