

Introducing a star-filled collection by Jill Kemp for Red Rooster Fabrics...

★ Twinkle Little Star ★

Twinkle Little Star reflects Jill's love of stars in quilts. Even the centers of the flowers are filled with stars! The pretty palette of soft purples, sage, rose, gold, and beige and the charming patterns make this a great collection for the traditional and country-style patterns Jill is known for. The texture has just a twinkling of gold metallic that adds a bit of sparkle. Try this new collection in Trip Around the World, 9-Patch, Ohio Star, and Log Cabin quilts. Or, stitch up a basket quilt with some appliquéd flowers. A pattern designed by Jill will be available when this collection ships to quilt shops.
