

Introducing a fanciful new collection by Jim Shore for Red Rooster Fabrics...

Noah's Ark

Jim's interpretation of the Noah's Ark story reflects his unique self-taught folk art style. Patchwork motifs abound in the master print. There's a star-filled sky and a patchwork ark with painted horses and well-dressed cows, and of course there's a rainbow! Coordinates include a Two by Two toss, a toss of arks and checkered whales, a rainbow stripe, puffy clouds, doves on a checkered ground, and Jim's signature patchwork star print, all in the bright color palette he is known for. This is a wonderful collection for decorating a nursery or a young child's room. A quick quilt with the ark master print on one side and the Two by Two toss on the other, bound by the rainbow stripe cut on the bias, is a shower or baby gift you can create in an afternoon. Display Noah's Ark with a stack of fat quarters, some of Jim's figurines, and a few of the books and patterns suggested below. Look for a pattern for this collection when the fabric ships.
