

Introducing a romantic floral collection by Red Rooster Fabrics' Studio...

Sophy's Rose

The Sophy's Rose collection is full of old-fashioned cottage garden charm. With its gorgeous large rose blossoms and tendrils in soft, feminine blues and accent colors, it's wonderful for both traditional pieced bed quilts and home dec projects. A medium-scale floral is set on a lovely ground of vintage lace and flowing crinkled ribbon. There's also a small tossed floral, and a pretty wallpaper stripe. A tone-on-tone vine and a lacy texture, each in six color ways, round out the collection. Visualize a basket quilt bordered with the stripe and large-scale roses or some pieced or appliquéd hearts for a wall hanging. What a beautiful duvet cover the large floral would make; just add a bed skirt from the stripe and pillow shams from the lace and ribbon print! The Sophy's Rose collection would also make a charming vest or jacket. For more inspiration, a pattern featuring machine appliquéd hearts designed by June Pease will be available when the collection ships.
