

Introducing a bright new collection by Ricky Tims for Red Rooster Fabrics...

Rhapsodie Colorée II

Ricky Tims' second fabric collection, Rhapsodie Colorée II, is designed for contemporary quilts, landscapes, floral appliqué, stained glass projects, and traditional patterns like bargello and Trip Around the World quilts. The first pattern (#17062) features Ricky's signature hand-dyed look in six striking colorways. The second pattern (#17063) is a wonderful array of twenty-seven tonals. The fuchsia, red, raspberry, orange, and yellow are perfect for realistic shaded flowers. There are greens for leaves and stems and plenty of colors for mountains and oceans. All the colors mix and match beautifully with Ricky's first Rhapsodie Colorée collection.

Display Rhapsodie Colorée II with Ricky's metallic polyester Razzle Dazzle threads for bobbin work, couching, and the serger, and his new Art Studio polyester threads with the sheen of silk or rayon threads for machine quilting, both by Superior Threads. Add Steam-A-Seam 2°, his favorite fusible web, and Ricky's own Stable Stuff® polyester tearaway stabilizer that does not dissolve when wet. Pair these with Ricky's books and his patterns by JWD Publishing. His second book, *Ricky Tims' Rhapsody Quilts*, will be available from C&T Publishing this fall.
